Smugglers are very bold. Home manufacturers are very bold. Ireland is on the eve of a rapid They soak and then sell to postage stamps. They manufacture and sell adhesive plasters filled with drugs which the addicts hide in their instep. Quantities of narcotics are sent to drug addiets in sanatariums or detention camps sewed up in the great price changes, the Irish linen seams of clothing. A favorite way of getting drugs to opium industry is on the upgrade, and par- slaves is by sending it in boxes of tobacco. Writing paper is ticularly in shipbuilding the outlook saturated with opium, and so carefully and skillfully done as This means that, basically, Ireland to almost avoid detection,

Physicians from different parts of the state of New York just over there. Same as other countries the other day held a conference in the executive chamber in the thought and preparation. Life is not city of Albany. They appeared in response to an invitation issued by the governor, who had announced his intention to send bility and duty in it than romance and writing to you. to the New York legislature a message recommending the en- and dreams. Although 1 hate it. actment of drastic legislation to check the drug evil.

Governor Smith was told by the physician at Sing Sing prison that the number of criminal addicts sent to that institution last ties imposed on mankind by necesyear was ten times greater than in any other year since 1919. He asserted that one way to decrease the drug traffic in the hand over my elamoring heart and state of New York would be to make the penalty for peddling drugs not less than ten or fifteen years, and announced his beequally by everybody, each of us lief that at least 90 per cent of the drug addicts in the state get the drug from peddlers and not from physicians.

Another noted physician said that the drug addiet was not a medical problem but a criminal problem and one that the state and not the doctors must solve. He recommended a law making least, that their daughters are go- to fulfill her destiny. No mother it a felony to peddle drugs and punishable by not less than five ing to something better than they vears imprisonment.

Another physician declared that if narcotic drugs were cheap and could be obtained the same as other drugs are obtained, the ter will be the glory of sending me drug traffic would cease in a year or two. He colunteered the information that in America when a commodity is cheap no one wants it, but when its price makes it almost prohibitive everyone wants it. All the medical men agreed that the crim- linen and wedding presents, and the mal addict is purely a police problem and the potentia, addict medical problem.

In closing the conference, the hundred representative physicians of the state of New York asked Governor Smith and the lawmakers to enact'a law on lines of federal legislation. Why not legislation on federal lines here in Texas? Why not stainp permit the laying away of something out the drug curse in the Lone Star state?

There are said to be smugglers everywhere on the Rio Grande border. They are directed by master minds, and these master minds have their agents in far eastern countries. They get the coca leaves in South America, and the cocaine supply comes from South America.

John Barleyeorn has been outlawed. Why not the outlawry of a greater menace? There is hope for the drunkard. He ean break away. There is not much hope for a drug addict. He

A million Russian rubles are worth about 2e now. White paper must be a cheap commodity in modern Russia. There are flat money advocates in America who should take this fact

mart The lare Thomas B. Read of unique member of the

The late William II. Martin

distinguished member of bouse: The late James G. Blaine Maine.

Of the two Texans in Cannon's list David Browning Culberson, father of the retiring senator from Texas, is ".A native of Georgia." elder Culberson moved to Texas 1856. He entered the Confederete simy, as a private and was promoted to the rank of colonel. served in congress from 1875 to 1897 and was apointed by President Me-Kinley as one of the commissioners to codify the laws of the United States, a place be held until his

desith at Jefferson, Texas, in 1910. William H. "Howdy" Martin was ! m native of Alabama and moved to Texas in 1850. He ruised a company for the Confederate army and was assigned to bee's army, particlmating in all of the battles of that army until its surrender, when he retired to Athens, Texas, to resume the practice of law. He served in the Fiftieth and Fifty-first con-gresses. Martin challenged Speaker Reed to a fight at the time when overturning all precedents. counted a nuorum and ordered the bouse to proceed with its business.

Incidentally, Uncle Joe exploded another ancient belief when he denied that Constantine Buckley Kilgore of Wills Point, famous Texas congressman, kicked down one of the oak doors of the house at the time the democrats made their famous rush to clear the hall and break a quorum on Speaker Reed. It was a small door that Buck Kilgore kicked down. Cannon avers.

Buck Kilgore was one of the most picturesque of Texas congressmen. Me was a native of Georgia, but moved to Texas in 1846. He also weer a Confederate veteran and had a discognished war record. He was che of the authors of the Texas constitution, written in 1875, and served in congress from 1887 to 1895. He was appointed by President Cleveland as United States judge for the southern district of Indian territory and served until his death at Ardmore, Indian Territory, September

SCHEDULE OF AMUSEMENTS TUESDAY
